

John Zhang

Phone: 138-0000-0000 | Email: zhangsan@example.com | GitHub: github.com/zhangsan

EDUCATION

B.S. Computer Science | XX University | Expected 2024 | GPA 3.6/4.0

SKILLS

Programming: Python, Java, C, SQL

Web Frameworks: Django, FastAPI

Databases: MySQL, Redis

Tools: Git, Docker, Linux, Postman

Other: Data Analysis (Pandas), ML Basics (Scikit-learn)

PROJECTS

E-commerce Dashboard | Python, Django, MySQL | Feb-May 2024

- Built backend REST APIs using Django REST Framework
- Designed MySQL schema, optimized slow queries, reduced homepage load from 3s to 0.5s
- Used Redis caching, improved QPS from 200 to 2000

Student Grade Management System | Java, Spring Boot, MySQL | Sep-Dec 2023

- Developed course selection and grade analysis modules
- Built RESTful APIs with Spring Boot for CRUD operations
- Wrote complex SQL queries (multi-table JOIN, GROUP BY, subquery)

EXPERIENCE

XX Tech Co. | Backend Developer Intern | Jun-Sep 2023

- Developed CRM system backend modules using Django
- Built 3 feature modules with unit tests
- Collaborated with frontend team across 5 sprint deliveries

HONORS

- Blue Bridge Cup Programming Contest, Provincial 2nd Prize
- CET-6 English Proficiency
